Pueblo City Council

Letter from the Director

The City of Pueblo Parks and Recreation Department’s mission is to improve the quality of life in the greater Pueblo community by providing: quality, diverse recreation, and leisure opportunities; safe, clean, and attractive park and recreation facilities; partnerships that enhance opportunities and maximize resources; and investing in new and renovated parks and recreational facilities.

As we wind up our busy summer, thoughts start to turn to cooler weather, falling leaves, trick-or-treaters, turkey and stuffing and shoveling snow. We are excited to be bringing you the following programs, events and completed projects during the next few months:

The dedication celebration of the City Park Dog Park in conjunction with our Pups at the Pool event on Monday, September 7, 2015 at 9:00am. This project was completed with the use of Conservation Trust Funds and was awarded, for the second time, the Colorado Lottery Starburst Award, which recognizes excellence in the use of lottery funds for community and conservation projects.

Join us in costume to celebrate Halloween at The Rides at City Park on Friday, October 23 and Saturday, October 24 from 5:00pm-8:00pm. The annual Haunted Kiddie Rides provides a safe, enjoyable trick-or-treating event for all ages. If you dare, take a haunted train ride where ghosts and goblins wander our eerie Horseshoe Lake and if you make it to the end of the ride, you may be surprised by a creature or two in the haunted tunnel. Each ride will present the kids with treats and maybe a trick or two.

Go back in time with us to 1975 to celebrate the Pueblo Ice Arena’s 40th Anniversary! On Monday, November 23, the festivities will kick off with retro 1975 public ice skating session prices for all weekday sessions during Thanksgiving break - $1 admission and 50¢ skate rental. The arena will also be hosting hockey league and figure skaters reunion nights, disco nights and much more through the month of December!

The completion of the El Centro del Quinto Sol Skateboard Park project is scheduled to be completed this fall thanks to a generous Great Outdoors Colorado grant that was received to assist with the construction of this project. This $2.5 million project will include: a skate park, festival plaza, amphitheater, trail renovations, beach area and community garden. An additional $195,000 Community Development Block Grant will fund a new playground and a parking overlay, making this park one of Pueblo’s finest.

We encourage you to please take advantage of the numerous quality programs we offer, the events we host, as well as the beautiful parks and open spaces we provide. The Pueblo Parks and Recreation Department is here to provide quality of life-enhancing opportunities and experiences for you and your entire family!

The success of Pueblo Parks and Recreation is due in part to our partnerships with various youth sports organizations, Pueblo City Schools, Pueblo County School District 70, Pueblo YMCA, the Pueblo City-County Library District, Pueblo Zoo, the Nature and Raptor Center of Pueblo, Pueblo County Government, numerous non-profit charitable organizations, local businesses and the citizens of Pueblo. We thank all of our dedicated partners and look forward to more exciting programs and projects in the months ahead!

New Bathhouse coming to City Park Pool!

Another great project is planned for City Park! A new bathhouse at the pool will be constructed to replace the current building, which was constructed in 1958. The new bathhouse will be located adjacent to the existing bathhouse, just north of the pool. Construction on the $600,000 project is expected to begin in early November with completion by the 2016 summer season.

February 5, 6, 7, 2016 - Pueblo Eagle Days
Lake Pueblo State Park and Nature and Raptor Center
This popular festival started as a small gathering of sponsors to celebrate the beloved bald eagles that winter at Lake Pueblo. It has grown into one of Pueblo’s most family-friendly festivals and now covers three days of fun and discovery for all ages.
Join us all three days and see live birds of prey, take a turn at the spotting scopes to look for eagles or birds of all kinds, see entertaining presentations, see an Air Force Academy falcon mascot up close and vote for your favorite photo. Kids will have fun making take-home eagle projects; they can meet agency mascots and see a live rehabilitated bird released back to nature. There is something for everyone!
